

From Now On - Lyrics

I drank champagne with kings and queens. The politicians praised my name
But those were someone else's dreams, the pitfalls of the man I became.

Bass - For years and years, I chased their cheers. A crazy speed of always needing more.

Alto's/Bass - But when I stop

All - And see you here. I remember who all this was for

And from now on. These eyes will not be blinded by the lights. From now on, What's waited 'til tomorrow starts tonight. It starts tonight. And let this promise in me start, Like an anthem in my heart. From now on.

From now on

Sops/Bass - From now on

Alto - And we will come back home, And we will come back home

All - Home, again! And we will come back home, And we will come back home. Home, again!

And we will come back home, *And we will* come back home. Home, again!

Bass - (From now on!) **EE** - And we will come back home, *And we will* come back home. Home, again!

And we will (s) *come back home*, And we will (s)*come back home*. Home, again! X3

All - From now on, These eyes will not be blinded by the lights!

From now on! What's waited 'til tomorrow starts tonight!. It starts tonight! Let this promise in me start,
Like an anthem in my heart. From now on. From now on.....

(lower alto) From now on

All - And we will (s) *come back home*, And we will (s) *come back home* **All** - Home, again!

And we will (s) *come back home*, And we will (s) *come back home*. Home, again!

Altos - And we will come back home, And we will come back home. Home, again

All - From now on, From now on. Home, again. x2
