

Rolling In The Deep
(picked by Gill 'with a G' Johnson from Snettisham Choir)

Alto - There's a fire starting in my heart. Reaching a fever pitch, it's bringing me out the dark
Finally I can see you crystal clear. Go 'head and sell me out and I'll lay your ship bare

Sops/Bass - Oh... **Alto** - See how I leave with every piece of you
Don't underestimate the things that I will do

Sops/Bass- Alto - There's a fire starting in my heart. Reaching a fever pitch. And it's bringing
me out the dark

All - The scars of your love remind me of us. They keep me thinking that we almost had it all
The scars of your love, they leave me breathless I can't help feeling

@@@ - Sops/Bass - We could have had it all **Alto** - (You're gonna wish you never had met me)

Sops/Bass - Rolling in the deep **Alto** - (Tears are gonna fall, rolling in the deep)

Sops/Bass - You had my heart inside of your hand **Alto** - (You're gonna wish you never had met me)

Sops/Bass - And you played it, to the beat **Alto** - (Tears are gonna fall, rolling in the deep) (**go to \$\$\$**)

Sps/Ba - Baby, I have no story to be told. But I've heard i'd one on you. And I'm gonna make your head burn

All - Think of me in the depths of your despair
Make a home down there. As mine sure won't be shared

Sops - (You're gonna wish you never had met me) **not sops** The scars of your love remind me of us

Sops -(Tears are gonna fall, rolling in the deep) **not sops** They keep me thinking that we almost had it all

Sops -(You're gonna wish you never had met me) **not sops** The scars of your love, they leave me breathless,
