

Counting Stars

(picked by Genene Pitcher from KL Late Choir)

All - Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars
Yeah, we'll be counting stars

Bass - Oo...

Sops/Alto - I see this life like a swinging vine. Swing my heart across the line
And in my face is flashing signs. Seek it out and ye shall find

All - Old but I'm not that old
Young but I'm not that bold

Bass - And I don't think the world is sold
Sops/Alto - On just doing what we're told

All - I feel something so right **Sops/Alto** - doing the wrong thing
And I feel something so wrong **Sops/Alto** doing the right thing
I couldn't lie, couldn't lie, couldn't lie
Everything that kills **Sop/Alto** me makes me feel alive

Bass - Lately, I've been, **All** I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars

All - Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be, we'll be counting stars

Bass - Oo....

Sops/Alto - I feel your love, and I feel it burn
Down this river every turn
Hope is our four-letter word
Make that money, watch it burn

All - Old but I'm not that old
Young but I'm not that bold

Bass - And I don't think the world is sold
Sops/Alto - On just doing what we're told

All - And I feel something so wrong **Sops/Alto** doing the right thing
I couldn't lie, couldn't lie, couldn't lie
Everything that drowns me **Sop/Alto** me makes me wanna fly

Bass - Lately, I've been, **All** I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars

All - Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be, we'll be counting stars

Oh, take that money, watch it burn. Sink in the river the lessons I've learned
Take that money, watch it burn. Sink in the river the lessons I've learned
Take that money, watch it burn. Sink in the river the lessons I've learned
Take that money, watch it burn. Sink in the river the lessons I've learned

- Everything that kills me **Sops/Alto** makes me feel alive

Bass - Lately, I've been, **All** I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
- Said no more counting dollars, *we'll be counting stars*

Lower Alto - Oo-oo.....(x10) **Not Lower Alto** - Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be, we'll be counting **Lower Alto** - Oo-oo.....(x10)

Lower Alto - Oo-oo.....(x10)
Not Lower Alto - Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
